BOB-CATWATHY MEMORANDUM NO. 120

TO: [ ] - Attn: [ ]

FROM: [ ]

SUBJECT: Female Reporter of Svenska Dagbladet  
SSD Files from Goerlitz  
(Fran) GEISLER

1. Pursuant to our oral discussion on the Swedish reporter, I hereby submit to you the written report on this case by CARBOHYDRATE. He asked me to tell the KIV people to please be careful if they take this up with [ ] or [ ]. He stated that Fran Dr. MUEHLER, as most other GADROIT employees, are scared to disobey or question any order given by [ ] and give as a reason for so doing, security! Fran Dr. MUEHLER is also the one who is complaining bitterly about [ ] still allowing Fran MOERICK (GADROIT cover name: STEINERUS) to visit GADROIT and on top of it permitting her to take files out of GADROIT!!! CARBOHYDRATE has talked about this subject with both [ ] and [ ] and got nowhere. As you will remember Fran MOERICK is the former President of GADROIT who resigned. Furthermore, you will also remember that she is engaged to this fellow OMAF, who is an extremely nebulous character involved with ODFAL, and neither of them have been politically recognized by the Berlin refugee authorities.

2. As far as the Goerlitz SSD files are concerned, may I ask you once more to make it clear to [ ] and [ ] that all matters of SSD interest must be channeled to CARBOHYDRATE first. CARBOHYDRATE mightily does not wish to have to fight with the individual section leaders as long as [ ] himself does not back him up. The attached report by CARBOHYDRATE is very explanatory.

3. CARBOHYDRATE unfortunately is unable to do anything about the Fran GEISLER case, because they have a dozen GEISLERS.
